PRE-REGISTRATION AND BUYERS INSTRUCTION

The Ram Sale is to be held On-Property at Kerin Poll on Friday, September 25th 2026 commencing at 12.30pm. To avoid delays, we strongly encourage you to pre register with the Selling Agents Bowyer and Livermore via email office@bandl.com.au as a buyer by 5pm on Wednesday 23rd September.

WELCOME

THERE is one thing we are not afraid of at Kerin Poll and that's the science behind sheep breeding.

Top sheep backed with elite figures have allowed our business to move forward at almost break-neck speed, something we couldn't have achieved if we had denied the value of tools like genomics, MateSel and Australian Sheep Breeding Values.

The use of these tools allows businesses to march forward in an environment where adoption and implementation is simply the most logical choice.

We have also harnessed some of the smartest minds in the industry in our quest to be the best performing Merinos in Australia.

Investing in the best genes which are backed by science, not hearsay or tradition, can lift your business quickly and effectively without giving anything away and that's what we know this year's draft of rams will do for your flock.

We also believe we have produced sheep which will fit the changing environment, turning climate challenges into opportunities with the main drivers being fertility and early growth.

The philosophy at Kerin Poll remains the same – if you win, we win – and this year's sale team is another great example of this relationship.

This year we will be offering 500 rams to allow everyone a chance to bid and secure their numbers, and it again will be the largest auction offering of Poll Merino rams in Australia.

All rams shorn 25/05/2026

Please feel confident to bid freely, knowing not only do we stand by every ram we sell, but the figures do too. And at this exciting time for the sheep industry, we wish you well in finding the genetics to move your business from good to great.

- Nigel, Kate, Joe, Caitlyn, Archer, Charlie & Georgia Kerin

SALE INFORMATION

Inspection

Sale inspections from 6:30am. Pre-sale inspections by appointment always welcome.

Catering

Morning tea, light refreshments and lunch will be provided.

Fertility

The rams testicles have been examined at classing and are guaranteed to be ready for work. Should a ram prove infertile or incapable upon veterinary inspection within six (6) months of purchase, the ram will be replaced or refunded.

Delivery

All Rams will be delivered by Dick Smith Transport Australia wide free of charge.

Insurance

It will be the responsibility of the purchasers to insure their Rams if required which can be arranged through Bowyer & Livermore after the sale.

Outside agents

Will be offered a 2 % rebate by the vendor. All introductions have to be emailed to Bowyer and Livermore by 5pm on Wednesday 23rd September.

office@bandl.com.au | 02 6331 5166

Buyers instructions

Please complete the buyer's instruction slip provided on sale day by Bowyer & Livermore. No verbal instructions will be accepted.

GST

The Kerin Poll On-Property Ram Sale will be GST exclusive. GST will be added to the purchase price prior to invoicing.

Disclaimer

All reasonable care has been taken to ensure that the information provided in this catalogue is correct. However the vendor or the selling agent do not assume any responsibility for the correctness, use or interpretation of the information included in this catalogue.

WHAT ARE ASBVS?

Australian Sheep Breeding Values are an estimate of an animal's true breeding value based on pedigree and performance recorded information. They are essentially a projection of how that animal's progeny will perform for a range of traits.

PWT (Post Weaning Weight)

Rams with more positive PWT ASBV's will produce progeny that grows quicker and are heavier at this age stage.

YWT (Yearling Weight)

Rams with more positive YWT ASBV's will produce progeny that grow quicker and are heavier at one year of age.

YFAT (Yearling Fat Depth)

Rams with more positive YFAT ASBV's will produce progeny that have more subcutaneous fat.

YEMD (Yearling Eye Muscle Depth)

Rams with more positive YEMD ASBV's will produce progeny that have more muscle, independent of weight.

YCFW (Yearling Clean Fleece Weight)

Rams with higher YCFW ASBV's will produce progeny that will cut more wool.

ACFW (Adult Clean Fleece Weight)

Rams with higher ACFW ASBV's will produce progeny that will cut more wool. ASBV means a genetically heavier cutting animal.

YSL (Yearling Staple Length)

Rams with more positive YSL ASBV's will produce progeny with longer fibre length.

YFD (Yearling Fibre Diameter)

Rams with more negative YFD ASBV's will produce progeny which have finer wool.

YFDCV (Fibre Diameter Coefficient of Variation)

Rams with more negative YFDCV ASBV's will produce progeny who have less variation in fibre diameter across their fleece.

EBWR (Early Breech Wrinkle)

Rams with more negative EBWR ASBV's will produce progeny with less breech wrinkle. Lower EBWR ASBV's are more desirable.

EBCOV (Early Breech Cover)

Rams with more negative EBCOV ASBV's will produce progeny with more bareness around the breech. Lower EBCOV ASBV's are more desirable.

LDAG (Late Dag)

Rams with more negative LDAG ASBV's produce progeny who have less dag. Lower LDAG ASBV's are more desirable.

YWEC (Yearling Worm Egg Count)

Rams with more negative WEC ASBV's produce progeny who have a higher genetic potential to resist worm burdens. Lower WEC ASBV's are desirable.

LMY (Lean Meat Yield)

Rams with more positive LMY ASBV's produce progeny which have a higher lean meat yield at slaughter.

ERA (Ewe Rearing Ability)

Rams with more positive ERA ASBV's will produce daughters which rear more of their litter.

WR (Weaning Rate)

Rams with more positive WR ASBV's produce daughters that will have more lambs per ewes joined.

POLL (Poll Horn)

DNA marker for the poll or horn gene.

LCHAR (Late Wool Character)

Rams with more negative LCHAR ASBV's produce progeny with more crimp definition. Reported 'late' on Rams over 6 months.

IMF (Intramuscular fat)

Rams with more positive IMF ASBV's produce progeny with a higher % of carcass marbling.

SEMEN RETENTION RIGHTS

Kerin Agriculture selling as Kerin Poll Merino Stud Retains semen rights on all rams sold on the following conditions:

1. The commercial rights to the semen of the animal sold are forever owned by Kerin Poll Merino Stud and the right of the Purchaser as to semen from the animal is limited to the use, naturally or by way of artificial insemination, on the Purchaser's own herd or flock. The Purchaser does not have any right to sell or otherwise commercially deal with the semen from or semen rights of the animal.
2. The names of all members of any syndicate, partnership or other joint arrangement of ownership of the animal by the Purchaser must be listed on the bidder card at registration prior to the sale.
3. The Purchaser (which includes all the members of any

syndicate, partnership or other joint arrangement) does not have the right or legal ability to sell, lease, transfer or otherwise deal with fractions or portions of the Purchaser's interest in the animal and can only sell, lease, transfer or otherwise deal with animal as a whole.

4. If the Purchaser transfers the animal, whether by way of sale, gift or otherwise, then the transferee is bound by these rules and the Purchaser agrees to obtain the agreement of transferee to these rules and to guarantee the performance of the rules by the transferee to Kerin Poll Merino Stud.

NOTES

[illegible]

“Diversification is a protection against ignorance. It makes very little sense for those who know what they are doing.”

- Warren Buffett

The gates are always open and we welcome any enquiries that you may have or if you wish to arrange a private inspection prior to the open day or sale day. 7 days a week anytime at all.
